Views Read Edit View history. Section authorizes indefinite detention for the broad definition of "covered persons" Sorry, your blog cannot share posts by email. And it also raises some important questions. The HCJ issued its targeted killing ruling on 15 December During debate on the senate floor, Levin stated that "Administration officials reviewed the draft language for this provision and recommended additional changes. A Congressional conference committee tasked with merging the House and Senate versions of the National Defense Authorization Act NDAA decided on December 18, to drop the Feinstein-Lee provision, which would have explicitly barred the military from holding American citizens and permanent residents in indefinite detention without trial as terrorism suspects. Department of Defense. Nevertheless, legal analysis is not his specialty. Commentators who share this view emphasize the need not to blur the distinction between domestic criminal law and the laws of war.
