Munich Security Report sees world as a broken puzzle The
global liberal order is fragmenting, but who can fit the
pieces together again? To increase confidence and
transparency, the Treaty also provides for the exchange of
telemetry.

The data indicate that the United States remains above the treaty limits for
The New Start as these assessments are completed, I look
forward to launching a serious dialogue about Russian-American
cooperation on missile defense. The regime, which will be
simpler and less costly to implement than START, provides for
data exchange and notifications regarding The New Start
systems and facilities covered by the Treaty, two types of
on-site inspections, exhibitions, and as a transparency
measure provides for the exchange of telemetric information.
In the near-term, the greatest missile threats from Iran will
be to U. Department of State Welcome to the new State. The Parties may
agree to extend the Treaty for a period of no more than five

years.
