Holmes THE HOUND OF THE BASKERVILLES a little too focused and intense to be a good guide through the story. Watson has a brief spell as the star while Holmes does some hidden work in the moors, the villain is an arrogant cad, and the supporting characters, from the unfortunate escaped convict, Bruce Seldon, to the suspicious Barrymores, round out the perfect population of Victorian archetypes but it must be remembered that while these archetypes may seem cliché to us today, they would have been fresh and new when Doyle put pen to paper. The broken remains of the stoned wellings also act as a reminder of how previous. Highly enjoyable! Was it the butler - isn't it always the butler?

Robinson showed Doyle the moor, known as Dartmoor, upon which the story is based. Rathbone certainly was an ideal choice for the role, both physically and regarding his on-screen image: very British, and slightly haughty, but still with a sense of humor - only most of the time at the expense of his friend and assistant, a miabile Dr. Many years ago, Hugo Baskerville kidnapped a local maiden, who escaped from his manor and ran off into the moors.
