With more than two thousand people in attendance from various nations, councils of elders, educators, organizers, and major activists of the American Indian Movement AIM decided on an international strategy of Indian rights. A human body is composed of matter that was once part of soil, rocks, ocean, plants, and other animals, and all of those beings have spirit. A couple of times, I actually thought the was writing about today. Spirit and Reason. Animal Oppression and Human Violence. Mark Dowie.

By the Indian world in the United States was undergoing a second wave of movement. It would decry, occasionally, the lack of cohesive Indian strategies, even in high-stakes economics.
