don't be put off that it is a teen book, it really is worth reading. As the writer shifts from one family member's point of view to another, you see how the experience of internment scarred the lives of the characters - the mother losing her looks and gaiety to the constant battle to provide for her

children; children terrified to stand out as Japanese even after the war; the bitter, broken father who speaks with the rage of every man unjustly accused of aiding the enemy.
