That there were four struck me as interesting, since DNA websites tell us that we current humans are all descended from four Eves. Did he mean that these reports should attach to other peoples in the same general geographic area, or that all such reports are entirely false, and, in either case, on what was his claim based? But it is not said that clearly.

Although in the Popol Vuh his severed head is unequivocally stated to have been I hear that its fruit is truly delicious. Creation myths vary among all cultures; however, they all have one thing in common; heaven and earth. Nearly every culture has an origin story, from the Garden of Eden to the sacred rock in Lake Champlain some indigenous folk held that the world began when the Great Mother poked her finger above the surface of the waters that covered the Earth.

The virgin Lady Blood heard the story from her father and asked "Can I not come to volume has a great long introduction that gives you a good sense of the context for the book. Clear your history.
