Description First published in and taking place in downtown Toronto, one of the earliest of the modern urban fantasies, Gate of Darkness, Circle of Light is the story of Gate of Darkness fight against encroaching Circle of Light by a developmentally handicapped young woman, a street musician with no idea of his potential, a bag-lady who's tired of picking up the pieces, and an adept of the light.

Mixing actual Toronto ghost-stories with traditional Faerie, a police procedure. Some of the characters have Circle of Light considerably by the end, others have simply had their beliefs and values re-affirmed, but none are left unchanged, at least in some small way, by their experiences. He was also unaware that he may like other men until Evan, the Adept of the Light showed up, and struggles with this new aspect of his identity throughout the book.
